ABOUT

[HELLO] [ROLE] MAGDALENA CAMPBELL 20 24 ILLUSTRATION, GRAPHIC & UX DESIGN

Hello, I'm Magdalena.

I'm an independent graphic designer and illustrator with a striking aesthetic and strong professional reputation.

I hand-draw illustrations and logos, create visual systems with heart, and specialise in designing with my clients' business growth kept front of mind.

After my success as a senior designer for a global company, I made the move to indepedence, and have been designing under my Maria Magdalena brand for over eleven years.

Combining my role as an internationally exhibiting artist with my expertise in graphic design has ensured my measurable success. I have worked with brands from all over the world, many of whom have experienced over 300% growth after working with me.

Having moved to Cape Town to pursue my passion in the art industry, I now call the Winelands home. I was named an SABS Design Achiever in my fourth year of studies as well as an Emerging Creative at the International Design Indaba two months after launching my first illustration range.

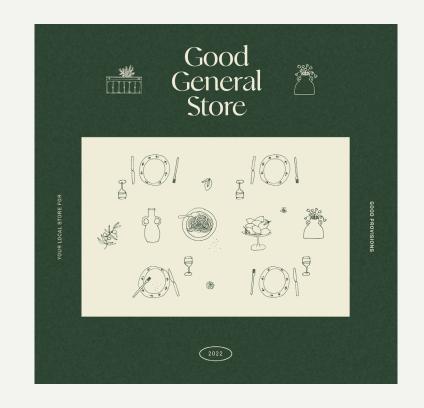

I am particularly known for my style of combining complex lines to simple, elegant effect. It has been an honour to have had my work published worldwide on blogs, in magazines, on the radio and even on television.

Process is important to me and because of that, I take on a limited number of projects at a time. This quality control means I can give you the focus and exclusivity to ensure the very best results.

If you are ready to invest in yourself and your business growth, then welcome. Let's get started.

I crafted the branding and corporate identity for ELA by Daniela, a Cape Town-based slow fashion brand, emphasizing its unique ethos and sustainable practices. This involved designing a cohesive visual identity that reflects the brand's commitment to quality and timeless style. My work helped position ELA by Daniela as a distinguished name in the slow fashion industry.

"Working with Maria Magdalena Atelier was such an easy choice. I've known Mags for a few years now; on a professional and a deeply personal level. She is just one of those people when you meet her, it just clicks. Grateful to have a woman like you in my life. Grateful for your talent and for making magic."

INTRODUCING THE STILL COLLECTION

Welcome to the STILL collection, where serenity meets charm in the heart of Italy and South Africa. Embrace the essence of 'being STILL' as you immerse yourself in our accommodations. Our spaces were chosen based on their story, with love and attention to the region and what it offers. We love to understand the history, a process, a background. Both regions know for their olives, beautiful nature and community. The spaces are designed to honour that story, a minimalist aesthetic that exudes timeless style. Each property within the STILL collection offers a sanctuary, where every detail is thoughtfully crafted to create an atmosphere where one feels at ease and 'at home.' We love to share our passion for food, good wine and movement. Whether you seek a serene escape along the Ligurian coast in Oneglia, Italy or a secluded retreat in the quaint Karoo town of Prince Albert in South Africa, the STILL collection invites you to indulge in a truly unforgettable stay.
